

Forever Tropical Paradise

中国·三亚旅介会 Mar 08, München

Dear Travel Partners and Friends,

I am delighted to personally invite you on behalf of the Sanya Tourism Development Committee to this year's Sanya Gala Evening to be held during the upcoming ITB. Please find all the relevant details on the invitation below.

The city of Sanya has some of the largest green spaces and best air quality in China and it is this fantastic natural setting that brings the world back here again and again, with Sanya in the media spotlight of recent years most notably as the host of the Miss World pageant. With more than 300 days of sunshine annually, Sanya is the perfect destination for those looking for fun in the sun. The Gala event will highlight the charms and beauty of this tropical pearl of an island in the South China Sea, with a lucky draw as the climax of the evening.

I very much look forward to welcoming you on March 08 to this great Gala Evening: "Sanya – Forever Tropical Paradise".

Best regards from Beijing,
